

SplitBuddies

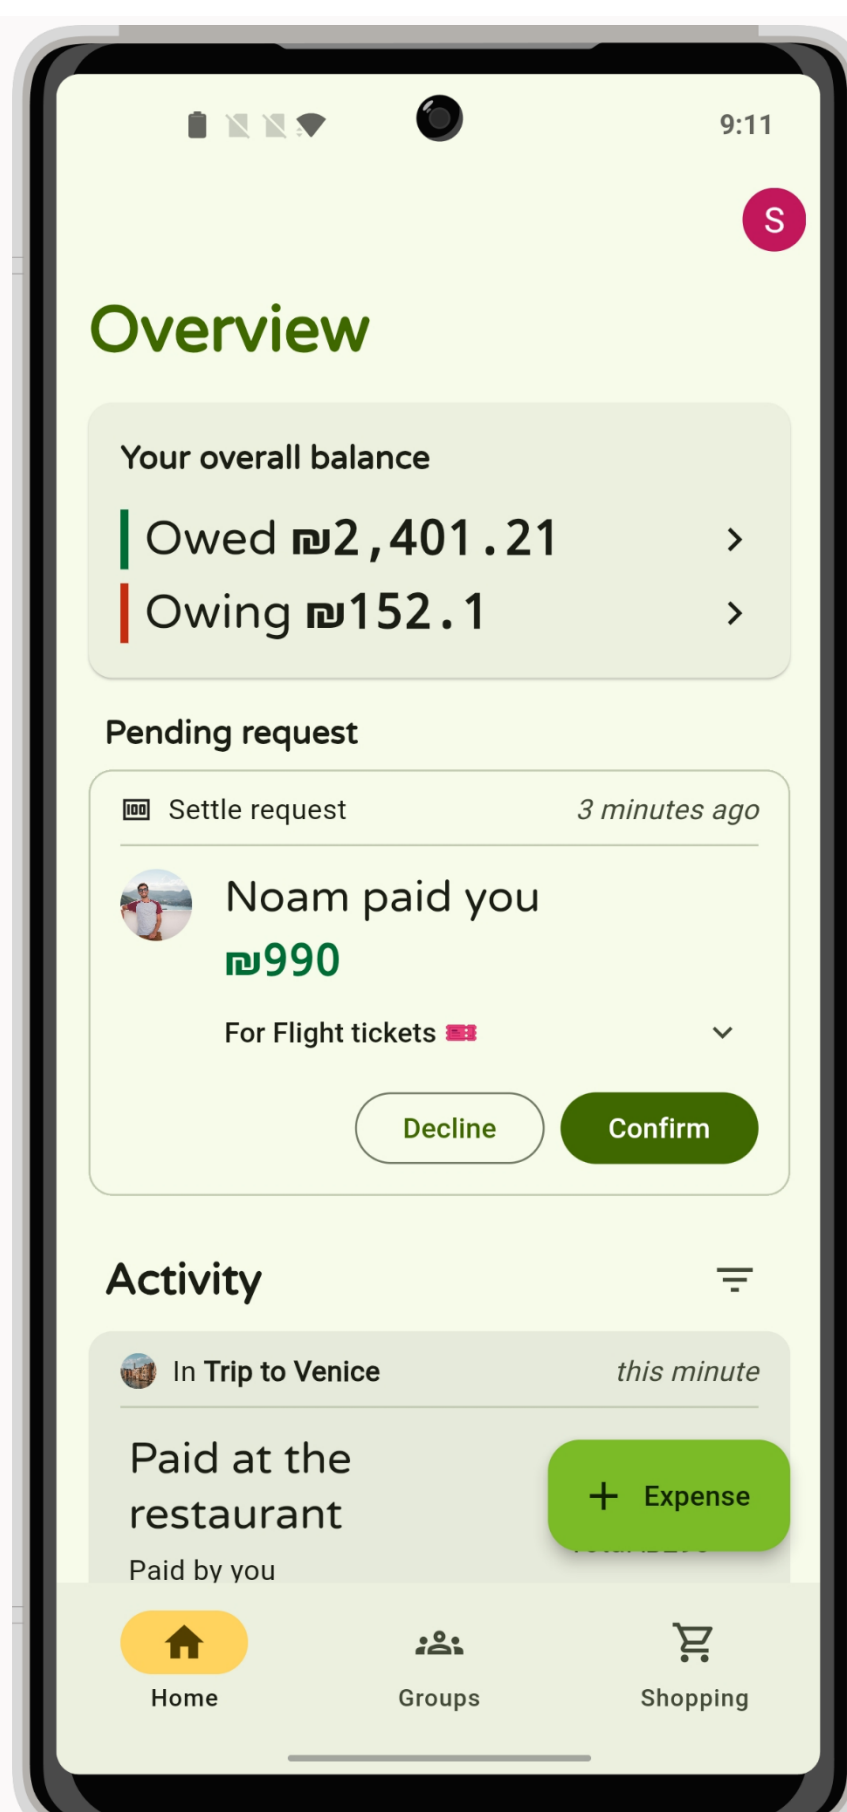

Split expenses easily with friends!

Splitting group expenses shouldn't be complicated.

SplitBuddies makes managing shared costs effortless – whether it's for trips, roommates, or events.

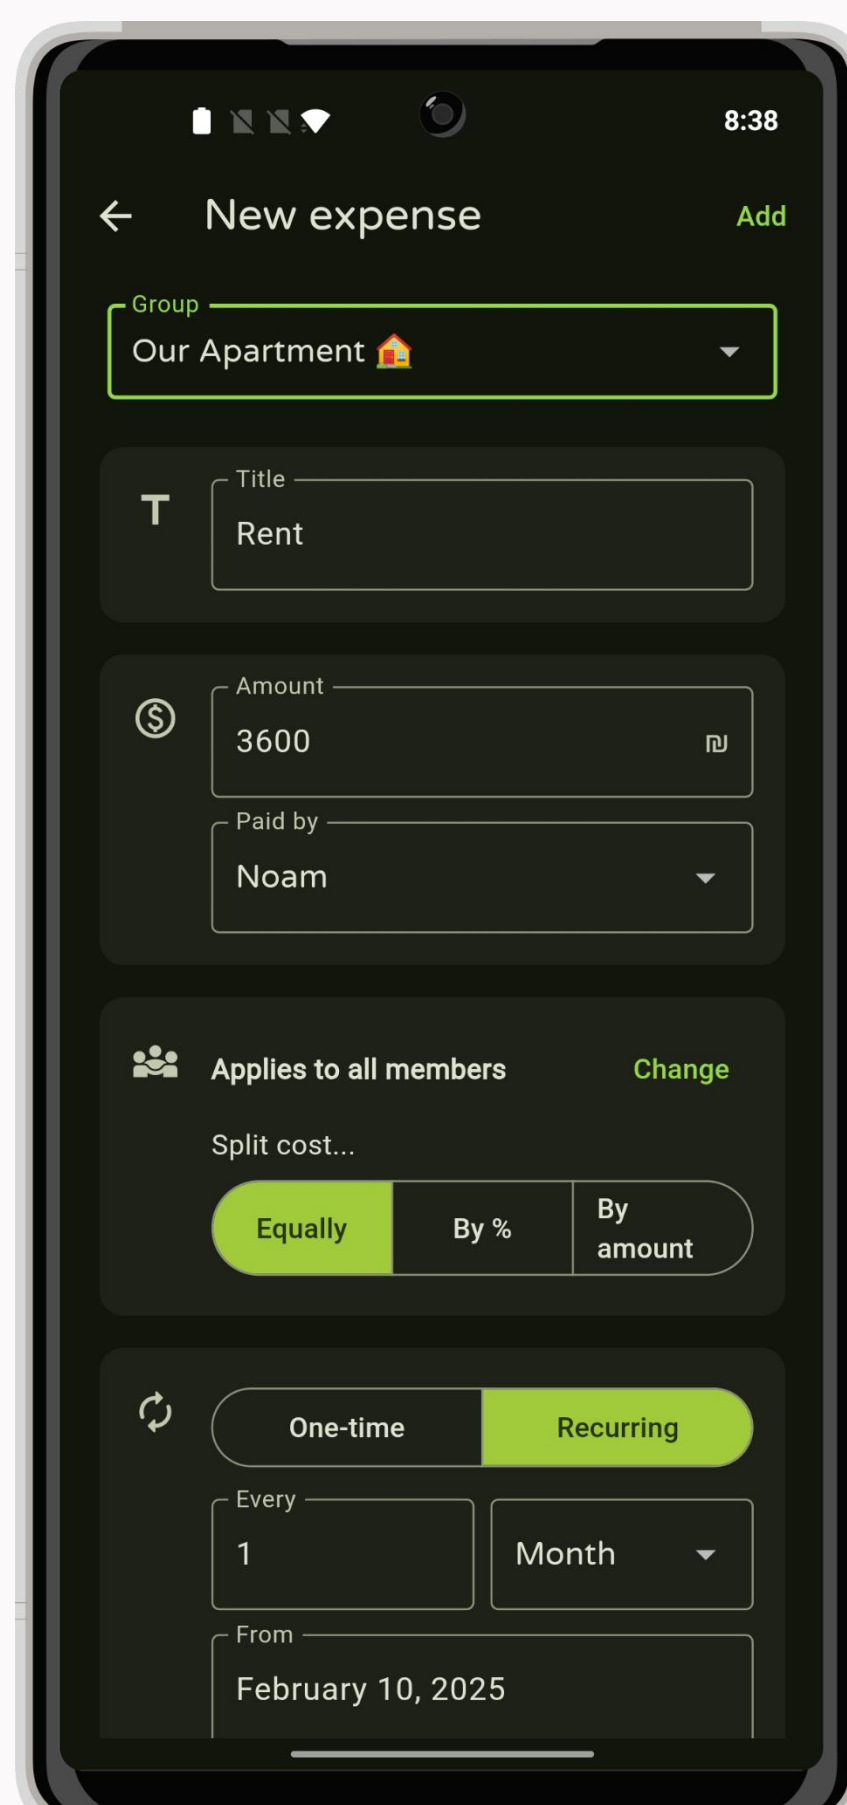

- Create groups to keep expenses clear and fair.
- Plan and track shared purchases easily.
- Quickly log expenses and request payments without awkward reminders.

No spreadsheets, no headaches – just seamless, stress-free bill splitting.

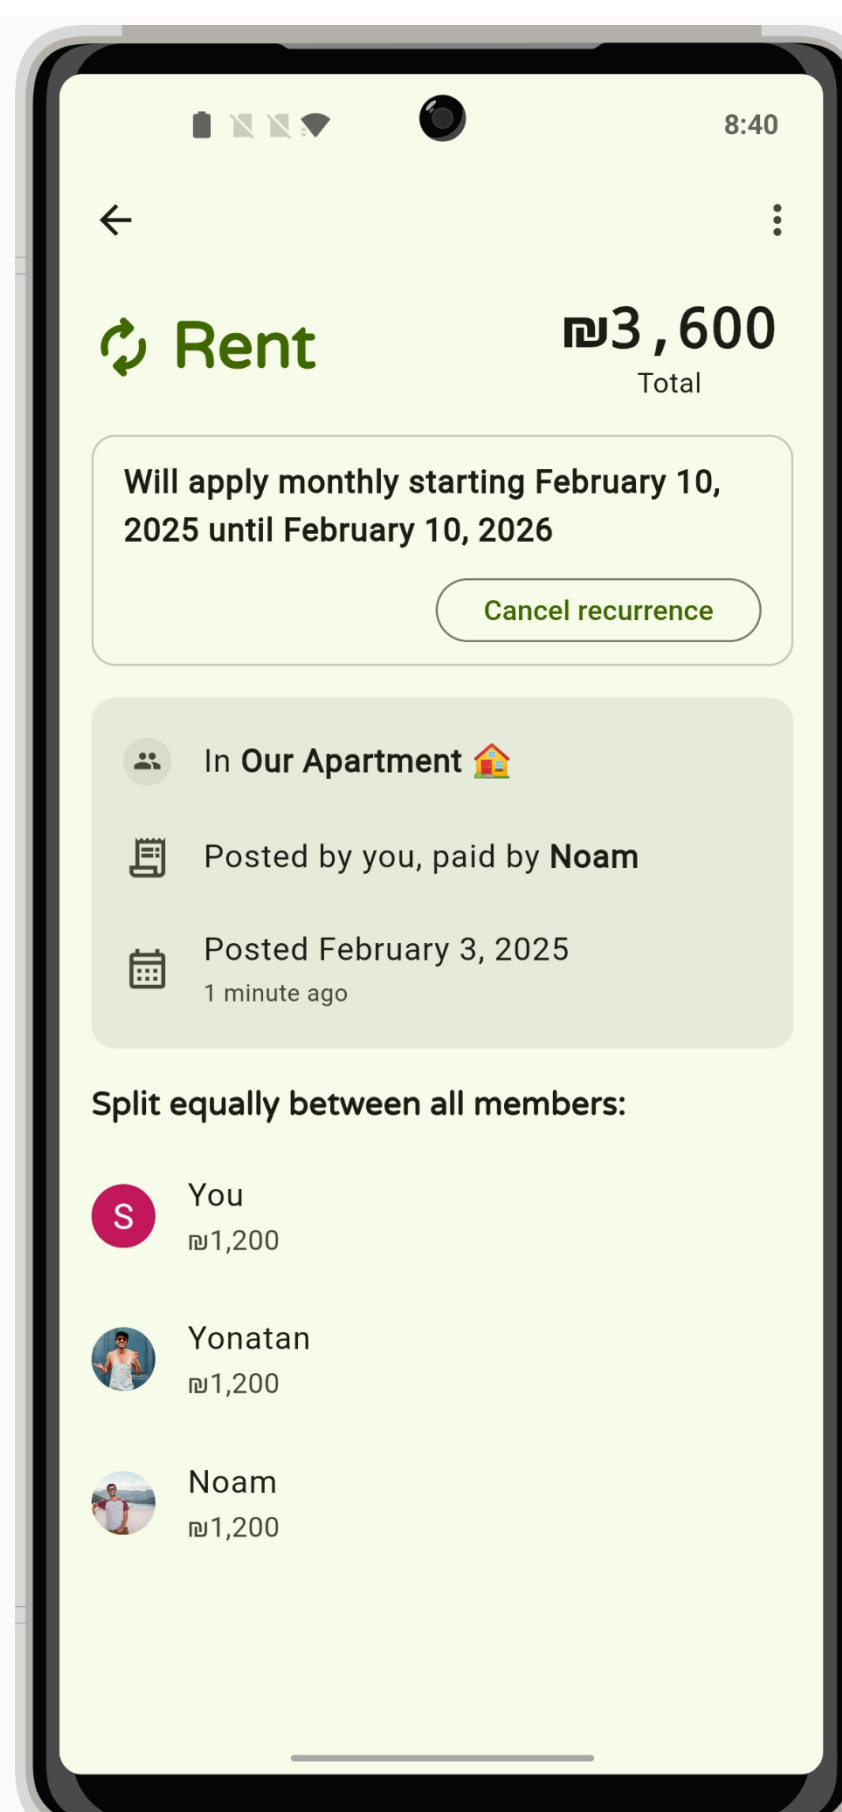

Quickly add expenses, pick who paid, and set splitting rules

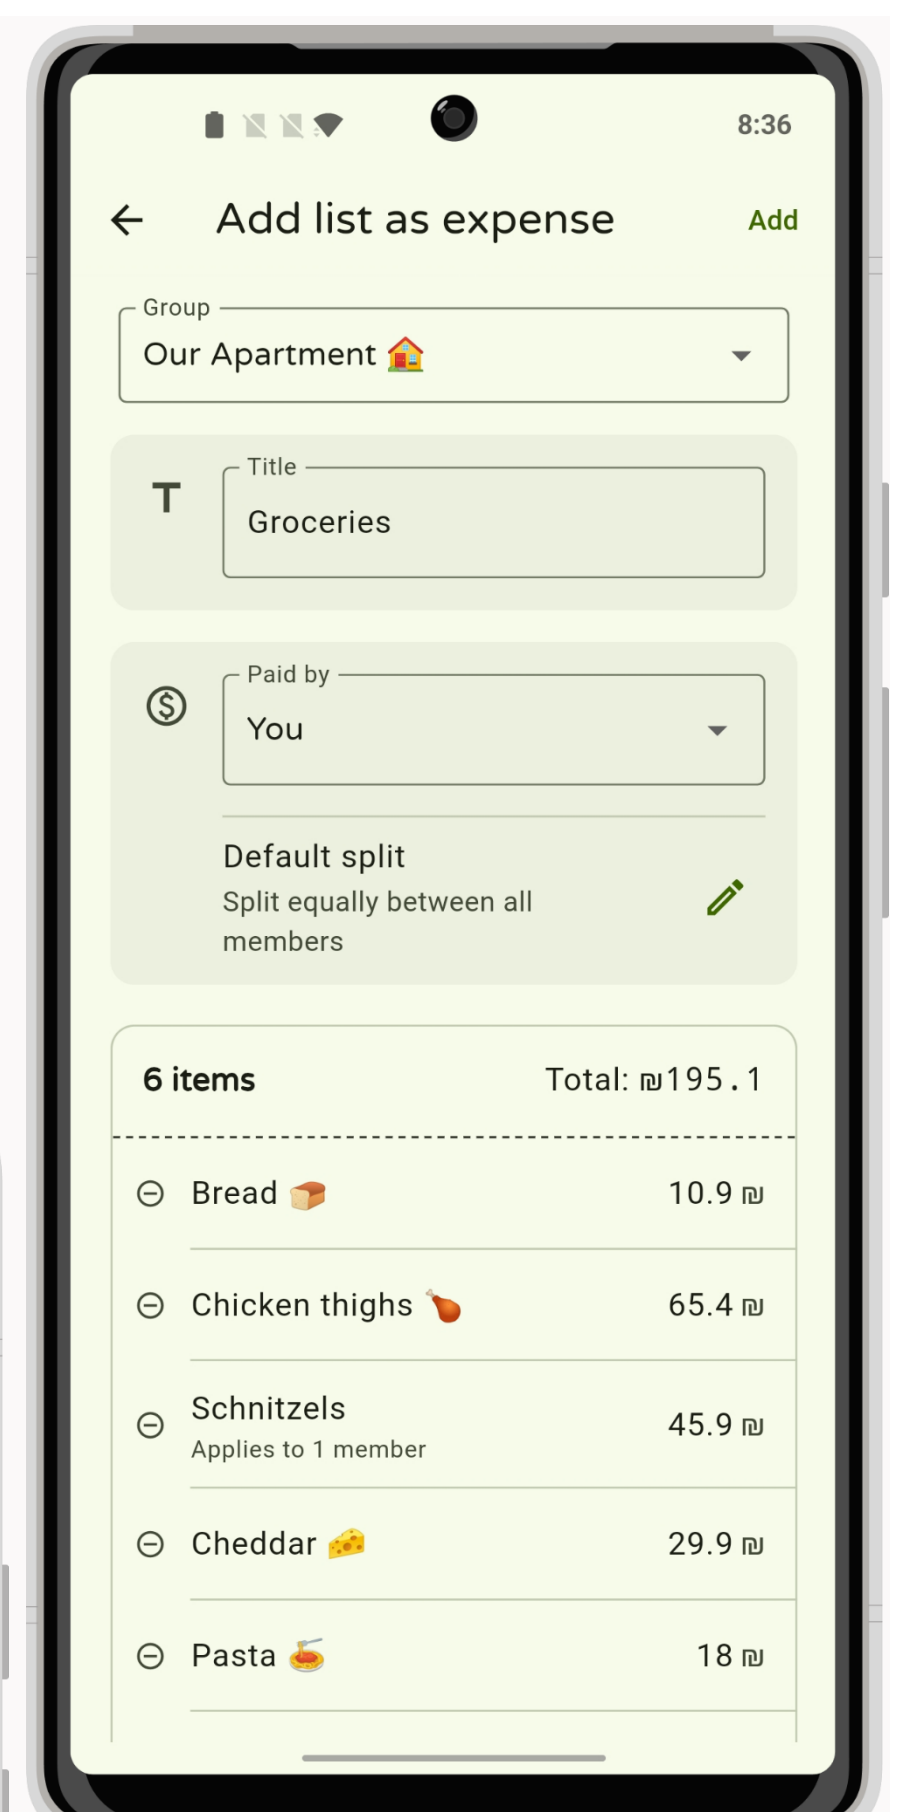

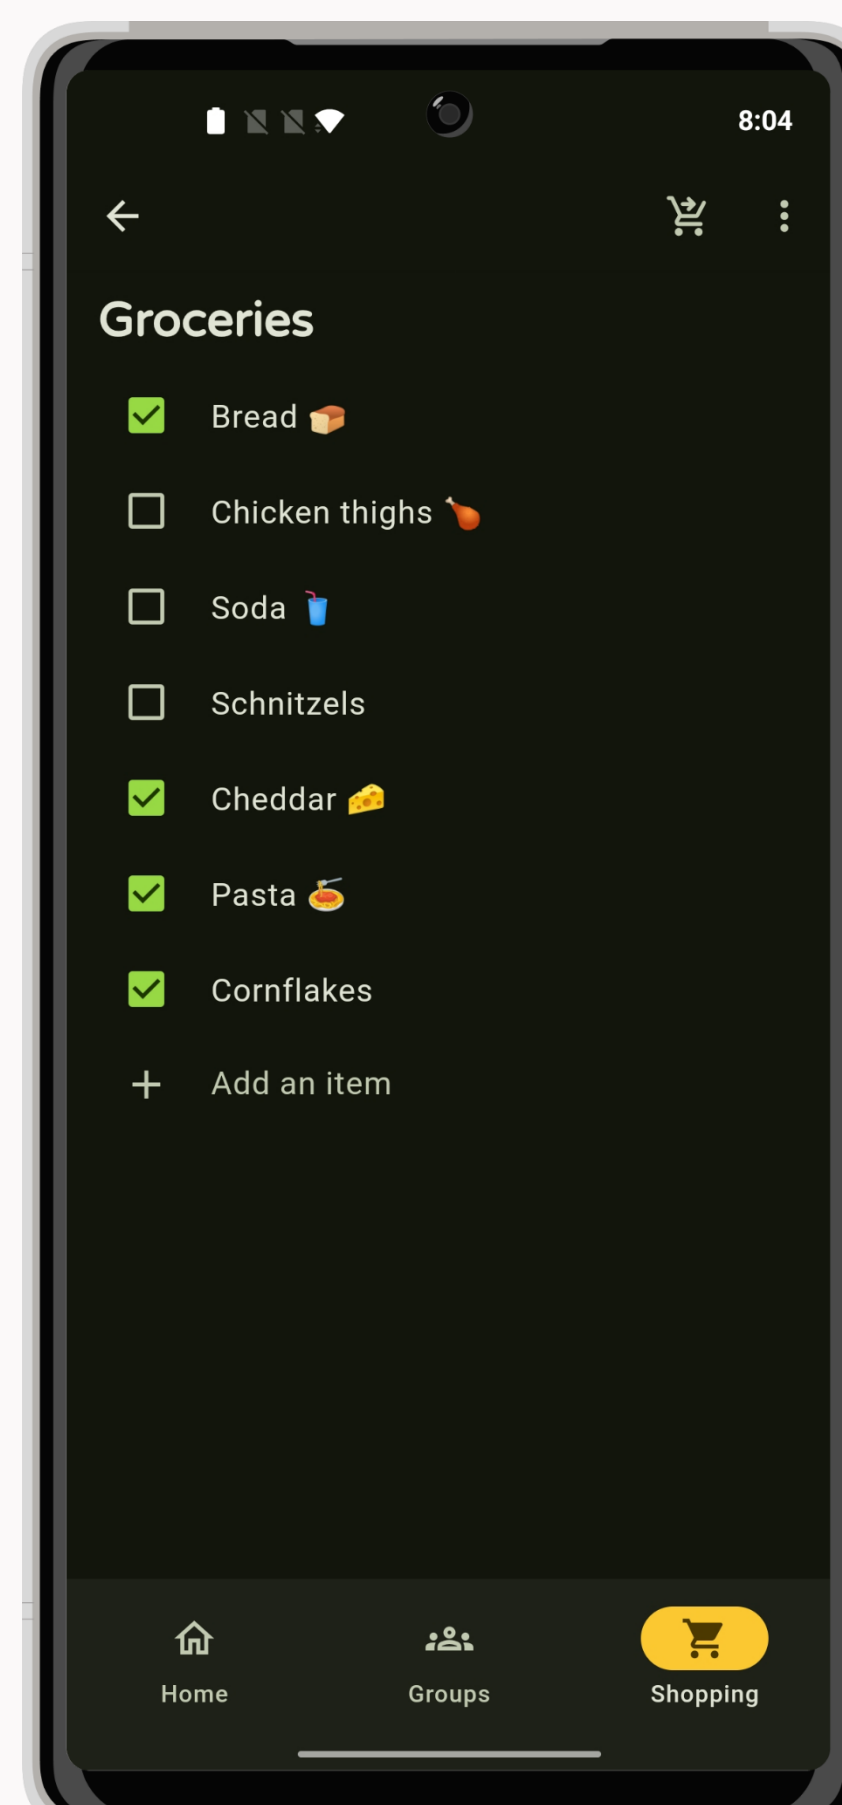

See your total balance at a glance, view expenses, and respond to payment requests

Add recurring expenses (such as rent or bills) to automatically apply them at your chosen interval

Create Personal Lists, add items and check them off as you shop.

Convert your lists into expenses, setting item prices and custom splits
